Aging and Adult-Dependent Care Committee (AADCC)

"There are only four kinds of people in the world: those who have been caregivers, those who are currently caregivers, those who will be caregivers, and those who will need caregivers."

Rosalynn Carter

AADCC Charter was signed in 2016

- **Mission:** *The AADCC, will research, promote and recommend effective actions to meet the aging and adult-dependent care needs of the diverse NIH workforce. The AADCC will advise the NIH Leadership on targeted programs and policies to support the productivity and performance of employees with adult-dependent care responsibilities, and an aging workforce. Employer-sponsored resources and support systems related to adult dependent care and an aging workforce are effective components of recruiting and retaining a skilled dedicated workforce.*

- Promote aging and adult-dependent care resources, information, and related services which are provided to the NIH workforce.
- Research and recommend effective actions that meet the needs of the diverse NIH workforce.
- Report to the Office of Research Services (ORS) Director and the NIH Deputy Director for Management (DDM) regarding aging, adult-dependent, and elder care programs and policies in support of the NIH Mission.

Current and Future Elder Care Needs

Current and Future Elder Care Needs

Back-up Care- Adult/Elder

DID YOU KNOW...

You have access to care for elderly family members across the country?

Family Care. SOLVED.

[The NIH Back-up Care Program] helps me from taking unnecessary leave, leaving early, or having to stop working on what I'm doing. I also do not have to reorganize my work schedule in order to care for my mom.

ADULT & ELDER CARE SERVICES
Let the primary caregiver of an adult elder with service needs and/or other people who live with me. The 1-800 number provided me with a list of adult day centers, adult respite care services and back-up care services for my son and daughter.

CHILD CARE SERVICES
I'm a new mom who is looking for information on daycare options close to work. The 1-800 number connected me to local facilities and gave me resources on how to manage life as a new parent.

FINANCIAL PLANNING SERVICES
Managing my family's financial and my parents' finances is my newly acquired challenge. The Referral Service contacted me with a free 30-minute consultation that provided me with the best information for a local financial adviser.

IDENTITY THEFT SERVICES
I've really had the identity stolen. The Referral Service helped me contact companies, the police and provided me with a list of things I should do to protect my identity.

LEGAL CONSULTATION SERVICES
I've just received a letter from my attorney and I want to be prepared in the event that anything happens. The Resource and Referral Service gave me information on how my parents could get and use the Power of Attorney.

NIH Office of Research Services is open on every third of every Friday from 9:00 AM to 1:00 PM. For more information visit us at www.ors.od.nih.gov/resource/referralservice. We are happy to help you with questions about our services, programs, and products. Call us at 1-800-777-1720.
