

Legal & Financial Resources

Resources Are Only A Call Away!

1-800-777-1720

When a legal issue, financial matter, or an instance of identity theft disrupts your life, it can create considerable stress for you and your family. To help minimize the impact, NIH is now offering services to all NIH employees, trainees, and contractors, to assist with managing the many complexities of these events. Through our nationwide network of professionals, these services can save you time, while providing valuable information and peace of mind.
