

*Parents of Preschoolers, Inc.*

At POPI, we believe the early years are critical to a child's growth—physically, intellectually, and emotionally. Our program nurtures the whole child through curiosity, creativity, and hands-on exploration in a safe, supportive environment. Classrooms balance individual and group learning, free play and structured activities, and fine and gross motor development, helping children build confidence and independence. Our professionally trained teachers create warm, engaging spaces where every child is valued. POPI is accredited by the National Association for the Education of Young Children (NAEYC) and holds a Maryland EXCELS Level 5 rating, reflecting our commitment to excellence. We are inclusive, community-centered, and believe learning through play is the foundation of growth.

## OUR UNIQUE PROGRAM

- **Intentional Teaching 🌟** : Carefully planned activities support your child's learning every day through play, conversation, and hands-on experiences in language, math, social growth, and more.
- **Tailored Learning 🎯** : Children grouped by developmental level for personalized growth.
- **Strong Bonds 🤝** : Fostering lasting connections between children, caregivers, and families
- **Age-Appropriate Curriculum 🎨** : Creative curriculum tailored for infants to preschoolers, fostering holistic development.
- **Optimal Staff Ratios 👩‍🏫** : Exceeds MSDE requirements; extra staff during activities for enhanced care and supervision.

## WELCOME TO POPI

Serving children ages 6 weeks to 5 years, our classrooms balance individual and group learning, free play and structured activities, and fine and gross motor development. Children build confidence and independence while learning through discovery.

Our professionally trained teachers create warm, engaging classrooms where every child is valued.

POPI is proud to be accredited by the National Association for the Education of Young Children (NAEYC) and to hold a Maryland EXCELS Level 5 rating through the Maryland State Department of Education (MSDE)—recognitions that reflect our commitment to the highest standards in early childhood education. We value strong partnerships with families and celebrate our diverse community.
