

What is it?

Featuring premium, artisan sandwiches on fresh baked breads, B+B will replace so deli, offering sandwich aficionados an upgraded experience.

What will it offer?

With high-quality ingredients, house sliced meats and seasonality, the rotating menu will offer customers their choice of three to five varieties each day, including a made-to-order carvery creation.

What else?

Sandwiches are freshly made and can be served turbo-toasted or served as-is with a choice of fruit, chef's seasonal salad or house-made baker's chips.

Are any other changes coming?

Customers can look forward to more culinary enhancements in the coming months to bring more seasonal flavors and variety to its cafés.
