skip the line with this mobile app that features the brands you love

- 1 Download the eatify app through the Apple or Android store by scanning the barcode at the far right or searching "eatify."
- 2 Create an account upon opening the app. As a first-time user, select NIH from the list of locations. Sync a credit card to your new account.
- 3 On the home screen for NIH's eatify portal, select the relevant image file.

- 4 Build your order using the menu that populates the screen. Confirm your order.
- 5 Pick up your meal or beverage at the pick-up time and location that you selected. Be sure to check your inbox for three emails prior to pick-up:
 - The first to confirm your order
 - The second to indicate that your order has been started
 - The third to confirm that your order is ready for pick-up

Place orders from your computer through the ordering portal at <https://order.eatify.io>.
