

WARNING

ANIMALS PRESENT

Laboratory Animal Allergy Prevention (LAAPP) In Effect

Symptoms of allergic reactions to animals include:

nasal stuffiness, a runny nose, sneezing, red irritated eyes, and rash/hives

Notify OMS if you have symptoms that suggest an allergic reaction.

Bethesda, Building 10, Room 6C306

7:30 AM – 5:00 PM

301-496-4411

On holidays, weekends, and after hours call the NIH Operator at 301-496-1211.

Call 911 for life-threatening emergencies.

All workplace injuries, illnesses, and hazard exposures must be reported to OMS. Report work-related health concerns using the myCority application (accessible only on the NIH network).
